1st Vice – Jeri Karpinski

Jeri reported that she has been in contact with restaurant at Chuckwagon. Our Dec. meeting will be held there. She's hoping for about a \$10.00 meal. Some felt if it went to \$12, it wouldn't be unreasonable considering prices of meals today.

Mary Graham handed out money to winners of game. 1st, 2nd, and 3rd (3 way tie), plus KPs. Winner of 50/50 was Sandy Elliot.

We were asked to keep several members in our prayers because of illness and other misfortunes.

Great Eagle Ladies' Golf Meeting, Dec.5, 2023

President, Linda Holman called the meeting to order at 1:46 PM with 28 members present. She welcomed back Kathy Kearney to the club.

Motion made by Betty Morris and seconded by Bonnie Eagleton to accept the revised minutes from last month regarding the date of the Christmas tree decorating. Carried.

Treasurer, Jennie Stevens, reported our balance is \$3,560.18, petty cash is \$56.82, 50/50 is \$157.50, and hole in one is \$225. Reminder that when signing up for membership online, there is a place to add on hole in one. If wanting to join hole in one, but didn't do online, Jennie will add you once you pay. Budget will be presented to general membership at January meeting.

OLD BUSINESS

Decorated tree turned out nicely. Thanks to all who came out and decorated. The "undecorating" is January 13 at 9 AM.

There was only one place to fill for volunteer positions and Jennie Stevens, volunteered to do the Club Fair.

NEW BUSINESS

Rather than having the CanAm in March, it is being replaced by March Madness which will be members inviting friends/nonmembers to a fun tournament of 6 best balls, 6 ball scramble and 6 ball alternate shot. Beth Amos and Jennie Stevens are cochairing and are hoping for help, especially in scoring. Golfers are encouraged to wear team (football, hockey, basketball, baseball, etc.) colours. Suggestions: members donating prizes, talk to Jason about a flat rate for non members. Mary has score cards for such an event.

Karen McGimpsey wondered about being able to have free relief from a divot. This would involve a local rule change. It was suggested that even if a local change would take place, members should be filling their divots and perhaps, a few other close ones. Try to repair marks on green, as well.

HANDICAPS AND MEMBERSHIP – Phyllis DuMond – 43 members, 34 paid.

MATCH PLAY AND TOURNAMENTS- Betty Morris – President's Cup – net scores; 2 rounds; Match Play – Find a partner whose handicap is within 10 handicap strokes of your handicap, 3 weeks; Club Championship – 2 rounds, gross score; All 3 are flighted.

WICKENBURG- Bonnie Eagleton has been in contact with Wickenburg. Quail Run is Feb. 22, Shotgun start. Always fun.

CHRISTMAS PARTY – Jeri Karpinski reminded members Christmas Party is Dec. 14 at 12 PM. Bring item of food for which you signed up and a gift of about \$20.00. Jeri, being responsible for arranging lunches for our meeting dates, asked whether we were satisfied with lunch today and if we should continue with Chef Peters. The majority felt that we should continue.

Birdies and chip ins prizes were handed out. Prizes from other weeks were handed out, as well.

Mary Graham explained the game Eclectic. If a person is only playing one of the 2 weeks involved, then the game that will be played is Ones.

Sandy Elliot won the 50/50 of \$39.50. Shirley Muhich donated 2 tickets to the Wildlife World Zoo which was won by Carol Spencer.

Our president, Linda Holman, gave a lovely farewell speech in honour of Shirley Muhich, who is leaving after many years of being a member of Great Eagles Ladies' Club.

We were asked to keep Kandy, Gloria, and any other member who is in ill health, in our prayers and thoughts.

Karen McGimpsey moved, and Renee seconded that the meeting be adjourned.

Please refer to the information sheets for further details.

OLD BUSINESS/ BUSINESS ARISING FROM THE LAST MEETING:

THE QUESTION OF DIVOTS!!

Kandy Moore agreed to write two options for discussion for application of a local rule regarding divots on the fairways.

- OPTION 1 – placement of the ball from a divot on the fairway if the divot has OR not been repaired.

The ball would be placed no closer to the hole and within 6 inches of the position it lays in the divot. If the divot was repaired (e.g. filled with sand or a grass patch had been replaced), the golfer would play from the divot without moving the ball.

- OPTION 2 – placement of the ball from a divot on the fairway whether the divot has been repaired or not.

If the golfer's ball lands in a fairway divot, the golfer may place the ball within 6 inches of where the ball lies in the divot and no closer to the hole.

IMPORTANT NOTE: In all cases the ball must be marked before it is picked up, other members in the foursome **MUST** be consulted and they must agree that the ball is in a divot and may be placed out of the divot, and finally the divot must have been created by a golf club.

After discussion and clarification of the two options, Karen McGimpsey moved and Jeri Karpinski seconded that Option #2 be selected. Unanimously approved.

PRESIDENT LINDA REMINDED US ALL THAT THIS IS A LOCAL RULE FOR THE LADIES CLUB AT GREAT EAGLE AND CANNOT AND SHOULD NOT BE APPLIED TO ANY OTHER GROUP AT GREAT EAGLE OR ANY OTHER COURSE.
